Hi Pat, Joe

We received the following inquiry into our general Superfund Contact box. I responded to the inquirer with the site profile page, could you follow up with Jessica as appropriate? Thanks!

Subject: Home inspections

Question:

Hi,

We are in the processes of purchasing a home in ringwood NJ about 4 miles south of the Pete's mill superfund location. Since the house we are currently looking to purchase is on well water and across the street from Lake Erskine , we just want to ensure the environmental impact of the mine is low prior to purchase. Thank you!!
